It seems that you will remind of what happened before 1975

Cu Chi has preserved as a historical site of the French and American war in Vietnam. Why Cu Chi, a barren and poor land could face strongly for 21 years to the army crowded many times compared with its force, warlike and equipped modern war weapons and means. In the fight, Cu Chi people won illustriously. Thanks to systems of tunnel ways, fortifications, combat trenches, soldiers and people of Cu Chi fought very bravely creating glorious feat of arms. The American invaders at first time stepped into Cu Chi land, they had to face so fierce resistances from tunnels from important and very difficult bases that they cried out, “Underground villages”, “Dangerous secret zone”, “cannot see any VC but they appear everywhere”... With its war pasture, Cu Chi Tunnels become a

historical war hero of Vietnamese People like a 20th century legend and famous land in the world.

Ben Tre, The first large-scale military action by Viet Cong forces occurred in BẾN Tre on September 26, 1959. A force led by Nguyen Thi Dinh, a BẾN Tre native who would become one of the most prominent female Vietnamese revolutionary leaders, ambushed the 23d Division of the Army of the Republic of Vietnam, killing 12 and wounding 14. This battle is commonly considered the start of the Vietnam War.
